I hope this email finds you well. Further to our recent conversation, I'm excited to share the job opportunities we currently have available for your students. We are looking to fill positions for **Software Developers** (B-tech/ MCA)

Offered Salary : 6 LPA Fixed + 1.5 Variable.

Please find the attached Job Descriptions (JDs) for each role. We believe that your students would be a great fit for these opportunities, and we're eager to move forward with the recruitment process.

With regards,

Dr. Unnikrishnan M.
