Dear Training & Placement Officer,

COLLEGE OF ENGINEERING TRIVANDRUM

Greetings from Larsen & Toubro Limited!

We sincerely appreciate the support extended by your institution in our campus recruitment initiatives and look forward to strengthening this association further.

We are delighted to invite applications from your esteemed institution for the following profiles:

- **Graduate Engineer Trainees (GETs) – B.E. / B.Tech. / B.Arch Graduates**
- **Post Graduate Engineer Trainees (PGETs) – M.E. / M.Tech. Postgraduates**

Please find enclosed the Notice Inviting Application (NIA) document containing details on:

- Eligible Disciplines
- Eligibility Criteria
- CTC Offered

We request you to kindly share the details with eligible candidates and advise them to register using the following link:

Registration Link - Link

The assessments for shortlisted candidates are scheduled between **25th September – 30th September 2025.** Students will have the option to select their preferred slots. To facilitate this, we request you to encourage students to complete their application formalities by **22nd September 2025.**

Please find below the Registration Process steps which may kindly be shared with the Candidates:

1. Access the registration link shared by TPO, create your profile and verify the email ID to receive a confirmation mail.
2. Click on the link received on the verified Email ID & Login to the campus portal to set a password.
3. Proceed after logging in to complete the application form and submit the same.

Only candidates meeting the eligibility criteria mentioned in the NIA will be considered for subsequent stages of the selection process. The detailed schedule for the online test and interviews will be communicated separately.

Please Note: Application form needs to be duly completed and submitted for further processing.

Student Support:
044-48134590 — Available 9:00 a.m. to 7:00 p.m. (Monday to Sunday)
assess.support@lntedutech.co.in (from registered email ID)

With regards,
Dr. Unnikrishnan M.
